

Invitation

Dear All,

On behalf of the entire organizing committee of 29th "FESTUM & REUNION" as well as Dr. R. Ahmed Dental College Alumni Association we are pleased to announce that FESTUM will be held on 8th & 9th of March 2024 and REUNION will be held on 10th of March 2024.

The "FESTUM & REUNION" which began in the early 1980's will be completing four decades. In the light of this, we are eagerly looking forward to the wholehearted participation of both present & past students of Dr. R. Ahmed Dental College & Hospital.

The 29th "FESTUM & REUNION" will be held in the college campus itself, thereby evoking sentiments of nostalgia coupled with a walk down the memory lane for those who will be coming after a long gap.

The much awaited program will be a kaleidoscope of cultural extravaganza, renewal of interpersonal relationships and interactions, where you will be meeting to make memories and parting to preserve them. Kindly grace this occasion with your presence and help in making 29th "FESTUM & REUNION" 2024 a resounding success.
